

NDTP2211: Capstone-International Board Preparation

Credit Hours: 2

Clock Hours: 30/0/0

This course emphasizes preparation for the national registry exam in EEG. An oral/practical exam and comprehensive exams are completed. The course prepares NDT students to be successful and productive members of the allied health workforce. This course encompasses a variety of professional skills and concepts, completes the documentation to participate in final preparations for certification by ABRET, and examines employability skills. Students present and discuss case studies. Course content includes the international boards.
